TRUST IN A *Sure* THING

There is something calming, reassuring and consistent about the warmth of the beach. No matter when you go, the waves, sand and sun will warm your body and calm your soul. However, you do not have to go to the beach to have the benefits of visiting one. Sometimes a sure thing can be found much closer to home.

Our charitable gift annuity is a sure thing that gives you comforting benefits for life.

When you fund a charitable gift annuity with us:

- We send you fixed payments for life
- You receive a favorable payment rate
- You receive an income tax deduction and possible capital gains benefits
- You have the peace of mind of helping others

Best of all, when you fund a gift annuity, you receive the warmth, benefits and good feelings that come with helping our cause.
